Good Morning Avak...

I received the notice that you were out of the office until the 1st week of September, and I'm sure you're very busy on your return. I hope all is well with you.

Is it possible for you to let me know when we can expect reimbursement of \$35,000 pursuant to Contract # C-115527? We are trying to manage our budget very closely and would like to be reimbursed as soon as possible.

Let me know as I may assist in any way. Thank you Avak.

We haven't heard anything about the Westchester BID's request for reimbursement pursuant to Contract # C-115527 so I thought I would inquire about its status. Thank you Avak.
